SCHOLARSHIP FUND

Message from the President

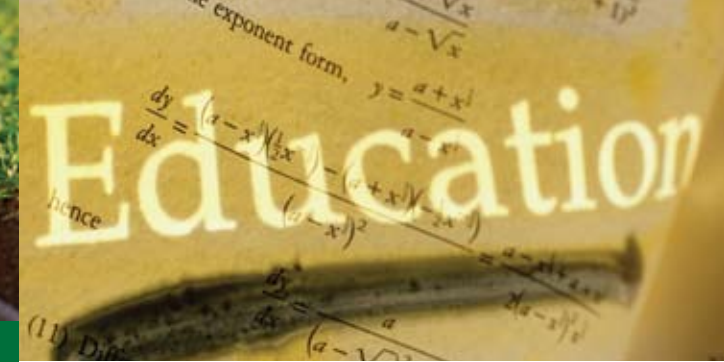

Frank D. Williams

Williams Challenge sincerely thanks all supporters who have helped Williams Challenge realize its mission to area youth and promote education. With college expenses continuing to rise, your support has helped Williams Challenge provide scholarships annually through the Akron Urban League to two high school seniors with a demonstrated financial need. Williams Challenge's mission is to help offset college expenses and make a positive difference in the lives of youth through financial assistance promoting excellence in education, sports, community services, and spirituality.

Williams Challenge scholarships are funded primarily through its golf fundraiser held each year in June. Williams Challenge invites your participation in this annual event which is fun for every skill level of golf. Other funding sources include private and corporate donations, and hole sponsorships. All donations are tax deductible.

2009

The Williams Challenge is a not-for-profit organization dedicated to providing educational assistance to aspiring low-income students. The scholarship fund is given in the name of the late Kay D. Williams, loving wife, mother, and friend. Kay exemplified academic excellence, good will, and kindness to all who encountered her. This fund honors her and her legacy by providing for those in need.

The sponsored children demonstrate both academic excellence and moral character along with the desire, drive, and ability to pursue higher education. Don't let someone's need prematurely determine their fate. Your donation will help these children reach goals that were once only a dream.

Please join us in supporting this important cause by participating in our fun and worthwhile event on **Friday, June 5, 2009**. The deadline for registration is May 24, 2009.

Friday, June 5, 2009
